

Telemedicine strategy: Revenue outside the office

Fully managed solution

- Replace escalating lost revenue: \$1,000/hour non-physician staff
- Medicare and Medicaid focused
- Both E/M and preventive services
- Any EHR and telehealth platform
- Permanent, ongoing revenue via managed CCM, BHI, and RPM

Safely care for your patients and replace lost revenue

About the program

SCALE Physician Group, working in conjunction with Care GPS, is uniquely positioned to advise on telehealth revenue solutions in the wake of COVID-19. We work hand-in-hand with our physician partners to deliver the right services to the right patients, remotely and compliantly, with the goal of improving patient outcomes and generating significant revenue.
